Bus safety reminders

From your friends at Beach Transportation

RADIO AND TV

During severe weather conditions, radio and TV stations broadcast information about school closures, school bus routes and road conditions. If no closures are mentioned buses run at regular times. This information will also be posted at www.beachtrans.com

PARENTS , PLEASE:

- * Have your students dress in appropriate clothing.
- * Get your students safely to and from the bus stop . Students should be at the stop no fewer than five minutes and no more than 10 minutes before the scheduled time.
- * Be with your students at the stop to monitor behavior and assist with safety. Have your students wait for the bus at a safe spot off the road and always watch traffic.
- * Have students use the handrails when boarding or exiting the bus to prevent slipping.
- * Have a backup plan in case the bus is delayed. Bus drivers will run routes as scheduled; However, delays may occur if snowplows are unable to keep the roads clear or difficulties arise. Please do not let your students remain at a stop for more than 15 minutes after scheduled time.
- * Please submit concerns about suspicious activity , wild animals, bus stop locations and so on in writing to your school.
